## **Community Cleanup Planned for San Antonio Heights**

SAN ANTONIO HEIGHTS - County residents doing spring-cleaning can mark those trips to the landfill off their list of things to do thanks to a Community Cleanup scheduled to take place Saturday.

Residents can dispose of items such as old couches, appliances, scrap metal, tires, yard waste and other non-hazardous trash at the Community Cleanup, which will be held in the Albertson Supermarket parking lot located at 2419 N. Euclid Ave. in Upland. Trash containers will be available on a first-come, first-serve basis between 8 a.m. and noon or until filled.

E-Cyclers - an Upland company - will be on hand to collect televisions, computer monitors VCRs and other used electronics waste for recycling.

Second District Supervisor Paul Biane, San Bernardino County Code Enforcement and County Solid Waste organized the event to make it easier for residents in unincorporated communities to dispose of large items.

"The Community Cleanups essentially bring the landfill to county residents so they don't have to make that extra trip," Biane said. "I hope residents take full advantage of this opportunity to clean up around their homes."

Residents can dispose of tires with rims removed as long as the tires do not exceed 11 inches by 25.5 inches. Residents planning to bring 10 or more tires should call (909) 387-0289 by Thursday to make arrangements for the disposal.

Hazardous materials including motor oil, paint, chemicals, pesticides, drain cleaner and furniture polish will not be accepted. Please call (800) 645-9228 for more information about disposal of hazardous materials.

Please call Supervisor Biane's office at (909) 945-4297 or Code Enforcement at (909) 387-4044 for more information about the cleanup.
